

July 1, 2010

- **July 6 Meeting** We will hold our July 6 CVSR meeting at Harold Douse's home in Milton. Hopefully the weather will be good so we can line up our street rods and other fancy cars on Harold's lawn for a club picture. So...get your favorite car all spiffed up this weekend and get over to Harold's on Tuesday evening for a picture and the meeting.
- **Off to the Races!** The races at Devil's Bowl Raceway in Fair Haven have been an attraction for CVSR members lately. Last year quite a group of us were treated to great racing and some spectacular fireworks. We will do it again this Sunday July 4. Meet at Stan Morrow's in North Ferrisburgh at 4PM and people can combine cars to save gas. The race track has recently been paved for the upcoming season so there will be less dust in the air during the races. Several have indicated an interest in going.
- **Warner's Car Show** Mostly street machines attended the Warner's Snack Bar Car Show in St. Albans on June 9 but there were motorcycles and street rods as well which made up the group of about 30 cars.
- **Ace Car Show** Five cars from our club were at the first-time-ever Ace Hardware Car Show in Essex on Saturday June 12. Tim, Dave, Bob B, Bob L, and Jan got discounts on hardware as part of the features of the show.
- **Libby's Car Show** There were 95 cars in attendance at the Libby's Car show on Saturday night June 19. Bob L., Jan, Art and Harold were in attendance from our club. Art presented hat pins as part of NSRA Appreciation Day to show appreciation to all those in attendance who have supported the National Street Rod Association over the years.
- **Lone Pine Car Show** Rain, rain and more rain! The steady rain at times was apparently enough to discourage lots of cars from attending the annual Lone Pine Show Saturday June

25 in Colchester. About 25 cars were in attendance nonetheless and eight of their owners walked away with trophies. There were “giveaways” as well.

- **Essex Automotive Car Show** There were several club members at this car show Wednesday night June 30. Jan, Bob L., Art and Tim all went to check out about 30 cars at Essex Automotive in Essex Junction. This little show is every Wednesday evening with Wayne Groth serving as disc jockey and a food concession with burgers, fries, etc.

- **Upcoming Club Meetings and Events**

- July 3 Richmond VT Car Show. This is part of Forth of July festivities in Richmond.
- July 4 Trip to attend the races at Devil's Bowl Raceway.
- July 6 CVSR Club Meeting at Harold's in Milton.
- July 10-11 RAVE Car Show in Rutland.
- July 20 CVSR Meeting at Stan's.
- July 24 CVSR Summer Picnic at Jan and Linda Hemsted's in Essex.
- July 24 Mazza's Muscle Night Car Show at the strip mall at Mallett's Bay.

- **CVSR Meeting July 20** we will go to Stan Morrow's in North Ferrisburgh for our second meeting of the month of July. This will be a little different as we will cruise down to Middlebury to the A and W Root Beer for supper. More info at the meeting at Harold's.
- **CVSR Picnic/Mazza's** On July 24 we will have an afternoon picnic at Jan and Linda Hemsted's in Essex. Note that this has been changed as we usually have the picnic the Tuesday after the Fourth of July but in the interest of getting more people to attend and stay a bit longer we have moved it to a Saturday. We are also co-coordinating it with the Mazza's Car Show as we will have the picnic at 2 PM and then go to Colchester to the show for that early evening. Should be fun!
- **CVSR goes to York** Four of our club members went to York PA to the NSRA Street Rod Nationals East *plus* the weekend of June 4-5-6. Art and Marion drove down the day before Bob Landry, Jan Hemsted and Ev Peyrat drove down along with Ken Bessette, NSRA Division Director. All street rods drove well in general with Ken's “fire truck” street rod having a bit of trouble with a burst automatic transmission cooling line which took some time to correct. The show was excellent with over four thousand street rods and cars thirty years old or older in attendance. There were evening dances, daytime seminars, a parade to town and the many rows of vendors in two big buildings. Art helped staff the NSRA booth, greeted arrivals at the main gate and picked out a '66 Chevy Nova wagon as an outstanding car with the help of the new Vermont Safety Inspector Peter Davis. Ev Peyrat helped inspect a few cars with the NSRA Safety Program.
- **Club Apparel** There has been a recent interest in purchasing another batch of club jackets, shirts, caps etc. Art recently picked up a new catalog from Dick Japhet and will bring it to the next

meeting. We can then pass it around and select what we want. There are also some blank forms from the 2008 order that we made.

- **Club is Thirty!** Wow! CVSR is almost thirty years old! When we hang up the banner at Harold's this Tuesday we can remind ourselves that it reads "est. 1981" which is the year Harry Rathburn and several others came up with the idea of CVSR. Harold has mentioned the idea of some special celebration next year for the occasion such as a special get-together with former members invited, a special logo, etc. Let's be thinking about that...
- **CVSR Internet Site** All club members are encouraged to get some of their car pictures together and put them on the internet site for our club [www.champlainvalleystreetrodders.com](http://www.champlainvalleystreetrodders.com). CVSRVT gets you to the site as well. As usual check out the site occasionally as it gives up-to-date information on events, doings of the club and a forum regarding car building, etc. Tim may be giving us a demonstration of the site in an upcoming club meeting soon.
