**Sad News for the Family** CVSR has certainly been more than just a street rod club but an “extended family” as well. We have no lady members of the club at the moment but they are welcome and the wives of members are welcome to attend meetings and events of the club. Mary Sargent, wife of a member and mother of two members passed away April 28. She has been a very active member of our family for a long time now and we especially appreciate her help with the care of Dave and the help for him getting to meetings and activities such as the Northeast Street Rod Nationals. Our condolences go out to Dave, Dan, Tim, Andrea and Christyn. Mary will be greatly missed. Some club members attended the service on May 10 in Johnson. The club has given a donation in her memory to Out and About which is a day care program for elders and disabled adults. Those who would like to contribute individually may send donations to Out and About, 11 Court St, Morrisville, VT 05661
