Is Spring Ever Going to Come? Last month's newsletter also questioned whether spring was ever going to come. Looks like we can say the same thing about this month! At this writing there is over an inch of snow on the ground and some of us have removed our snow tires from our "civilian cars" and have started getting our street rods going in anticipation of a successful street rod season. It'll come...always has!

May Meeting Places. We have our two May club meeting places determined and hope everyone will be able to come:

Tuesday May 3 Gary Bruening's in Cambridge.

Tuesday May 17 Bob Brunette's in Fletcher.

Bruce Bromley A notice appeared in the obituaries section of the Burlington Free Press a couple of weeks ago of the passing of Bruce Bromley. Bruce, of Milton was a former member of our club back in the eighties. The notice told of his interest in "classic cars" and the accompanying picture was of him in his 1953 or '54 Chevy four door sedan.

May and June Events We don't have too much as yet about upcoming May events but going from past years as well as what we have received this year so far we have a few events to list. June events will also be listed. This is because the newsletter comes out the first of each month and we should have a "heads up" about upcoming shows and cruise-ins well in advance.

Every Wednesday. Some local Essex area organizers have put together a Cruise-In for Wednesday evenings at the Essex Big Lots Parking lot in Essex. 5:30 to?. This is exactly where we met for several years to go on our area Scavenger Cruise to "dry run" the route. This kind of takes place of the Cruise-In that was at the Essex Automotive Services parking area in the past.

May 20 Champlain Valley Spring Nationals. Plattsburgh NY. (unconfirmed)

May 20 Crown Point Car Show. (unconfirmed)

May 21 (Third Saturday of each month.) Cars and Coffee at the Community Bible Church on Williston Road. 7-9AM. This Cruise-In was previously held at South Burlington High School.

All special interest vehicles welcome. This is early on a Saturday morning so folks can have a little gathering and still have lots of time to do other things the rest of the day.

June? Running Hot Car Show Ferrisburgh Fire Dept. Listed in 2015 for June 15 (which was a Monday)

CVSR Scholarship The annual CVSR Scholarship award winner for 2016 has been determined by the Scholarship Committee. It is too early to announce the winner as VSAC is in charge of that. We are working on having VSAC do the selecting of the winner for next and subsequent years. In conjunction we should determine if there should be any changes in the description of the scholarship in the booklet that is given out to schools all over Vermont. We will try to do this at the upcoming meeting at Gary's this coming Tuesday evening

Luck of the Draw April 19 meeting. Winner: Gary. \$7.00 (Given to Charity)
